Red Cross Campaign Still Far Short Of \$2500 Objective

The local campaign of the Canadian Red Cross Society is progressing slowly due to wet weather and other causes, but canvassers are gradually completing their rounds with fair success and it is hoped that the Didsbury and district quota of \$2500 will be reached by the end of the month.

Due to the fact that a number of people have been away when the canvassers call, making return trips necessary if everyone is to be contacted, it would be appreciated if donations would be made either to the canvasser or to local campaign headquarters at Kether Brothers office in Didsbury. The time is short and as much territory as possible must be covered with a minimum of travelling.

The Red Cross needs your help and financial support to carry on its good work, so give generously when the canvasser calls.

While a number of canvassers have not reported to date, the official total of receipts until Monday amounts to \$817.40. Following is a further list of donations:

R. W. St. Clair \$2; N. L. Neilson \$2; D. D. Pfeiffer \$1.50; J. Brinson \$1; C. Tronholm \$1; A. L. Allen \$1; Ed McNeil \$3; M. E. Archer \$10; E. K. Cullen \$5; W. A. Austin \$20; Fred Evans \$2; Ivan Weber \$5; Mrs. Leavens \$2; Pat Leavens \$2; Mrs. Pearl Bennie \$5; W. A. Austin \$20; Ed Ford \$30; Clarence Ness \$5; Mr. Baptist \$1; Dave Jenkins \$7.50; Mrs. Kaufman \$7.50; Frank Jackson \$10; Earl Braun \$1; Joe H. Ross \$5; Ed Craig \$10; Anna Anderson \$1; A.C. Cowitz \$2; E. L. Cowitz \$1; M. McCrae \$5; I. C. White \$2; E. Brinson \$3; L. V. Swingle \$5; Wm. N. White \$5; E. L. Tucker \$2; Mrs. Irene Nimmons \$5; W. Artman \$5; R. Johnston \$5; H. Lynch-Staunton \$10; Mrs. Blanche Hoesegood \$10; John Holub \$3; Mr. and Mrs. Ames Weber \$2; Mr. Prevost \$10; H. Sinclair \$3; S. S. Krueger \$20; E. M. Stringer \$5; G. E. McDonald \$3; J. P. Stevens \$5; H. D. Halliday \$20; J. Folkman \$5; Star Cafe \$1; G. C. Larson \$5; Mrs. B. Biedert \$5; H. E. Koe \$20; H. Post \$1; S.W.R. Devine \$5; I. L. Klein \$2; W. Irwin \$2; P. L. Andrews \$10; Velma Traub \$2.50; Fred Roegner \$2; E. E. Huber \$1; A. P. Baudistel \$3; Mrs. Helen Baudistel \$2; Didsbury Electric \$2; E. S. Shantz \$2.25; L. Dickau \$2; Elmer Pieper \$5; R. A. Campbell \$2; K. Vaughn \$5; P. Shultz \$2; D. B. Wood \$2; G. H. Burke \$15; Wayne Stauffer \$2; Alec Hall \$5; Edith Sherrick \$1; Glen Rohrer \$2; A. A. Cahel \$1; S. C. Wilkie \$2; Bill Gunderman \$1; R. Walder \$2.50; C. Ripien \$1; Abe Neukel \$1; Peter Hilbert \$3; T. A. Stickle \$1; Norman Tuggle \$5; Jack H. Clarke \$2; J. W. Wordie \$5; Mac's Hardware \$20; Variety Store \$5; James Kirby \$10; Tom Morris \$20.

Small Attendance At Fishermen's Night

An evening dedicated to the fishermen of Didsbury and district was held Friday, June 13, in the Lions hall with about 60 members and friends of the local Fish and Game Association in attendance.

A short address was given by Mr. Jim McChew of Calgary who also presented certificates of merit to three local sportsmen, Ed Ford, Ed Gramme and George McDonald, for their work on behalf of the association.

Chris Martlett, fish warden from Olds, spoke on the problems of stocking local streams.

Coloured films were shown and lunch was served.

The prizes donated for the best dressed fisherman, fisherman and child were given out due to the lack of interest in this phase of the evening's entertainment.

BASEBALL HERE WEDNESDAY

Rad weather has played havoc with the Rosebud Baseball League schedule and many games have been postponed.

Today (Wednesday) the Olds team is scheduled to play here at 6 p.m. and on Sunday the locals tangle with Macleod at the farmers' home grounds at 2:30 p.m.

SOUTHBOUND:
No. 522—Daily 4:46 a.m.
No. 524—Daily 12:46 p.m.

No. 526—Daily except Sunday, at 5:00 p.m.
No. 528—Daily 6:21 p.m. (stops on flag on Sundays only)

FRANKLIN GULLS BANQUET ON MICE

Spectators at the recent tiller and plowing competition staged by the Olds Agricultural Society at the Lee Dries farm were treated to an exhibition of Mother Nature trying to restore the normal balance of power between her creatures.

Field mice, which have been having things all their own way all Spring at the expense of the farmer and his crop, were being turned up by the hundreds by the plowmen and tillers. And as fast as they were evicted from their nests Franklin gulls, in great flocks, swooped down and dined on them.

Hospital Board Holds Monthly Meeting

Regular monthly meeting of the Didsbury Municipal Hospital Board was held on Saturday evening in Kether Brothers office with chairman A. W. Reber, vice-chairman J. W. Brook, C. D. Harder, J. H. Hoesegood, Mrs. V. L. Turner, matron, and secretary Roy McArthur present.

A delegation of insurance officials, D. N. McDonald of Didsbury and Mr. Mason and Mr. Simms of Calgary, presented a report of a general insurance survey made at the hospital recently. It was mentioned in the report that general cleanliness and housekeeping conditions were good but, among other recommendations, it was noted the hospital was underinsured at present. It was also suggested insurance be paid yearly, at the same rate rather than every three years so as not to upset yearly requirements. No action will be taken on the report until board members have studied it further.

L. Dickau and Mr. Peden gave suggestions on an auxiliary lighting plant, the need of which is quite apparent. This matter will be taken over for further investigation and discussion. At present it is not known just how large a plant would be required in case of additions to the hospital.

Mrs. Turner gave a report on admissions, discharges, births, deaths, etc. during previous month.

Auditors' report for first quarter was handed to board members and accounts payable were passed.

Zoo Train To Visit Olds Thurs., June 26

The Olds Fish and Game Association has completed arrangements to exhibit the Africa Railroad Zoo Train in Olds June 26.

The Africa Railroad Zoo Train has been exhibiting in the larger cities in the west and after completing a five day showing in Calgary Zoological Society, will arrive in Olds following southern bounds, over the Canadian Pacific Railroad. The zoo train will be open continuously from 10 a.m. until 10 p.m.

The one admission ticket takes one the entire way through without any additional cost whatsoever, either inside the zoo train or on the outside. All animals, birds and reptiles are direct from Africa.

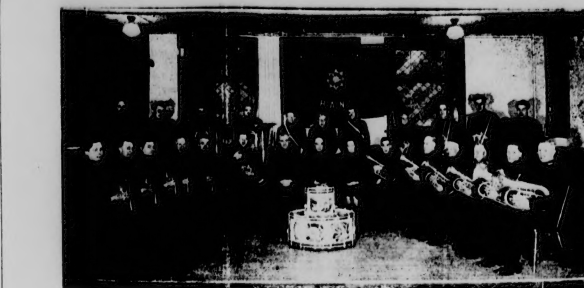

In the event of rain parents and children need have no fear of muddy show grounds as the entire display of the zoo train is inside comfortable dry railroad cars all air conditioned. The zoo train carries two large catipillar electric light plants to furnish light for the train and to provide power for the deep freeze units used to preserve food for the various specimens on board the zoo train.

WEDDING SHOWER FOR MISS IVY SORGE

Miss Ivy Sorge of the Didsbury teaching staff, whose wedding will take place early in July, was the guest of honor at a delightful miscellaneous shower given by the women members of the staff and the substitute teachers at the home of Mrs. Robert Long on Wednesday evening, June 11.

After the guests had enjoyed appropriate contests, a reading by Miss Willison and a piano solo by Miss Christine Wise, the guest-of-honor was seated on a solitary treasure hunt, guided at intervals by a chime clock indicating the gifts in various places throughout the house.

After the gifts had been opened and admired, Mrs. Long had a special speech, refreshments were served by Mrs. Long and Mrs. Berlid.

Calgary Citadel Salvation Army Band which will appear at the Didsbury Memorial Arena on Thursday, June 26, under the auspices of Canadian Legion, Didsbury branch.

IS NATURAL GAS COMING TO THIS DISTRICT?

Reports of success at Shell No. 1 once more brings forth the possibility that natural gas for towns north of Calgary to Red Deer is not too far away.

At present the well is at 8,682 feet and testing, but unofficial reports say prospects of a real good gas well are practically assured.

Golf Tournament Rained Out Sunday

Rain Sunday washed out the planned match play competition at the local golf course and a new schedule has been announced.

Qualifying rounds now are to be held before Wednesday, June 25. First round is to be completed by Sunday, June 29.

All male golfers are asked to take part to ensure competition and success for the tourney. Entry fee is \$1.00 and the total amount will go toward prizes.

Ladies' Golf
Any ladies interested in a golf tournament are asked to get in touch with Janet Block.

MRS. REID CLARKE ADDRESSES W.M.S. OPEN MEETING

The Woman's Missionary Society of Knox United Church held an open meeting on Monday evening, June 9, in the church. There was a full attendance of members and many visitors.

The devotional period was conducted by Mrs. Elsie Parker. A duet by Miss Marjorie Neave and Miss Bonnie Clarke, accompanied at the piano by Miss Pat Halliday, was enjoyed by all.

Mrs. E. Ford gave her report on Community Friendship. Mrs. Reid Clarke, the president, gave the address, entitled "Keepers of the Springs," a talk of deep interest to mothers and daughters.

The Redwater field has 900 wells but the more widespread and rapid by expanding Leduc field has 900 wells and may be the leader soon.

ALBERTA HAS MORE THAN 3,000 OIL WELLS

Alberta now has more than 3,000 oil wells, the petroleum and natural gas commission board reported at Edmonton recently.

The board, in a report for the week ended May 15, said there were 3,003 wells in the province compared with 2,222 at May 7, 1951.

The Redwater field has 900 wells but the more widespread and rapid by expanding Leduc field has 900 wells and may be the leader soon.

WESTERDALE

The Westerdale Young Peoples' Club was successful in holding a meeting Monday night after two previous attempts when insufficient members were present. Thirteen members and several visitors were present and the main topic discussed was the picnic to be held July 2 with a dance to be held on Friday, July 4, if an orchestra can be engaged.

Some of the rain-out hall game at Hartman showed the some 10-6 for Hartman when the game had to be called off.

Mr. and Mrs. Van Horne of Calgary have been visiting since last Tuesday at the home of their granddaughter, Mrs. W. Wiele.

COST OF LIVING

The index of the cost of living in Canada as at May 1st was 184.7, according to the federal bureau of statistics. This was a drop of two points during the month of April, mainly due to recessions in the price of food. The figure of 100 is based on cost of living from 1935 to 1939. At the present time the cost of living in Canada is about the same as it was a year ago.

With more than two inches of moisture during the past week the town streets are wet and some of the sewer and water ditches are again sinking.

Kitty, a family cat, cries after the loss of her master two children and home after an early morning fire destroyed the residence of Mr. and Mrs. Thomas Wherry, of Johnston P.

Mr. Wherry, 37, and two of his children were trapped and burned to death. Mrs. Wherry and another child escaped.

Pioneer Passes At 81 Years

Mrs. Theodore (Lucinda) Reist, of Didsbury, died in hospital here on Saturday, June 14, at the age of 81 years. She was buried Tuesday in the Didsbury cemetery, following services in the United Missionary church at 2:30 p.m. with Rev. Ray Shantz officiating. Didsbury Funeral Home was in charge of arrangements.

In 1899 Mrs. Reist and her husband homesteaded in the Didsbury district, where they resided until moving into town in 1915. They celebrated their golden wedding anniversary last December.

She was a member of the United Missionary church and the mission society of that church.

Besides her husband she is survived by two sons, Wilmer of Didsbury and Elmer of Calgary, B.C.; six daughters: Mrs. C. W. Green, Kuna, Idaho; Mrs. N. Lemont, Edmonton; Mrs. G. R. McLean, Calgary; Mrs. Russell Shierick and Mrs. Crosby Archer of Didsbury, and Mrs. Maynard Snyder of Carstairs, 23 grandchildren and five great-grandchildren.

Plenty Of Rain For Grain And Grass Crops

Rain, snow, wind and hail, along with sunshine have all been experienced in the Didsbury area during the past week. Last Tuesday night a steady downpour kept up for several hours. The sun shone Wednesday and Thursday and all night Thursday another downpour was experienced. A little more sunshine Friday and rain and snow all night Saturday. Sunday was wet all day, showers fell Monday and hail was reported west of town on Monday night, although little damage was done.

Farmers are now hoping for warm weather to hasten growth of all grain and grass crops. There is plenty of moisture for a month, and all grain crops are making rapid growth at the present time with early snow being ten inches or more in height.

Prospects are also bright for an excellent hay crop this year and only hail and wet weather can mar this prospect. Farmers are now getting their haying equipment in shape for the season and cutting is expected to start about July 1st.

Pastures are reported to be in excellent shape for this time of year and with the warm weather following the warm spring weather and rains.

South West Didsbury

Mr. and Mrs. Ed Clayton and family were Wednesday evening callers with Mr. and Mrs. J. B. Hipkin and Pat.

Mr. Albert Gore of New Toronto came Thursday and is visiting his two sisters, Mrs. J. Edwards and Mrs. Albert Koscich and families.

Mr. and Mrs. E. Dippel, Donna and Merle were Calgary visitors on Friday.

Mr. and Mrs. Tom Edwards and family were Friday visitors with Mr. and Mrs. J. Edwards and family.

Mr. and Mrs. Fred Beyer and family were Calgary visitors Friday. Miss Bernice Beyer remained in the city for the weekend.

Mr. and Mrs. H. W. Folkman and family were Red Deer visitors on Friday.

Mr. and Mrs. J. B. Hipkin and Pat were Friday evening visitors with Mr. and Mrs. M. Dippel and family.

Mr. and Mrs. J. B. Hipkin and Pat were Sunday dinner guests of Mr. and Mrs. J. B. Hipkin and Pat.

Miss Grace Hunsperger left hospital on Tuesday and is recuperating at the home of Mr. and Mrs. L. Hunsperger.

Rev. and Mrs. Ray Shantz called Saturday evening to visit Miss Grace Hunsperger.

Sunday guests of Mr. and Mrs. L. Hunsperger and family were Mrs. D. B. Wood and Mr. and Mrs. Eldon Theale and family.

CARD OF THANKS

I wish to thank Dr. McKenzie, Mrs. Turner and the hospital staff for care and kindness shown me, and my friends who sent flowers and get-well cards, as well as the many friends who visited me while I was a patient in the Didsbury hospital.
MRS. BRIAN JOHNSON

'GUIDED MISSILE' ATTACKS CANCER

Radio-active atoms aimed in a "guided missile" attack as a possible new technique for destroying cancer cells were described recently in an atomic energy forum at Stevens Institute of Technology.

The new method was explained by Frank A. Howard, Institute of Cancer Research, who termed it "one of the most imaginative developments" since radioactive isotopes became available for medical research.

Howard, explaining the "guided missile" technique developed by Dr. David Pressman of the Sloan-Kettering staff, said: "Every living organism seems to possess the ability to neutralize a foreign, invading protein by manufacturing an anti-body — another protein specifically designed to envelope, or in some way destroy the invader."

"If the foreign invader were a particular type of tumor cell derived from another animal and injected into the new host, the new host to destroy this invader would have an affinity for that particular type of cell."

Rising Medical Costs
Could Bankrupt You

Rising medical costs, which have soared so high that a serious illness or injury could bankrupt almost any family, have created a crisis in Canada, writes Sidney Katz in a special nine-page picture story "The High Cost of Being Sick," in Maclean's Magazine.

Katz, himself a trained social worker and a staff writer for the magazine, travelled 8,000 miles and spent four months in a detailed examination of the problems of the medical profession, the hospitals and the health plans across Canada as they affect the individual.

He writes: "In every community I met people sorely pressed by the high cost of sickness, like the \$8,000-a-year Toronto craftsman who was debt-free once he owned a houseful of furniture and had saved two thousand dollars as a down payment on a house. A lung ailment made him penniless in six months. Or the 45-year-old Ottawa man who was intermittently ill for two years and lost his life savings. His medical expenses were \$10,000."

"Hospital costs have skyrocketed. In 1951 you could get a public ward bed for \$102 a day. Today they are as high as \$16. But this is only the start. Operating-room charges, X-rays and drugs all eat into the pocketbook. Special nursing care alone now charges \$6 for a house call. The specialist is much harder on the purse. Instead of one doctor, the patient now sometimes finds he needs 10."

"The new 'wonder' drugs are expensive: sixteen capsules of Aureomycin cost \$11.15. Vitamin capsules cost up to \$12 a hundred. 'My prescriptions sometimes cost more than my fees,' says one specialist.

"There's another problem: the troubled relationship between the doctors and the public. Doctors are being accused, often unfairly, of being money-grabbers, failing to understand patients, diagnosing in a sloppy manner, failing to come in an emergency, lacking social consciousness."

"Because of rising health costs, two important issues are shaping up: Has the time come to introduce national health insurance? If so, what kind?"

This last question is packed with dynamite. The doctors feel they should operate any national plan themselves. They believe a government-run plan would rob them of their independence, overwork them, lower their standards and interfere with the intimate doctor-patient relationship. Advocates of a compulsory government plan don't believe vast sums of tax money should be given to a private organization for spending. And they point to compulsory government schemes in other places where doctors are contented with their lot. These are only a few of the issues which will have to be settled when and if Canada decides to make health a fully national concern," writes Katz.

FOR SALE — Machine Shop, fully equipped, doing thriving business in prosperous Okanagan City. Reasonable price and terms. For particulars write Albert H. Vogel, Pentleton Agencies Ltd., Real Estate and Insurance Agents, 317 Main Street, Pentleton, B.C. 23-3c

Gas-Less Alberta In 30 Years' Time

We are constantly having dangled before our eyes the spectre of a gas-less Alberta in 30 years' time if we permit export. It is as certain as anything can be that the opposite is more likely to happen: that the unrestricted export of our gas to anybody who has the means of paying for it and the means of conveying it to where it can be used, would cause such a concentrated exploration campaign that our proven reserves would climb far faster than the demands upon them.

This has already happened, among other places, in Texas. The lesson has been completely lost on the worried men in the Legislative buildings at Edmonton.

There isn't a chance in a thousand of Alberta running out of gas within the next 30 years, no matter how much we export. The risk we would take by selling our gas to anybody who wants to buy it — as we already sell our oil and coal — would be very slight indeed; and far slighter than the risk we shall take by sitting on it while the next

O.S.A. Notes

NEW HERD SIRE

The Alberta Department of Agriculture purchased a Shorthorn bull at the Gallinger sale on June 5th to head the herd at the Olds School of Agriculture. The bull selected was Killearn Norman 24th, 329022, born June 26, 1951. He is sired by Killearn Norseman 31st, 278062, by Norseman, 262210 (imp.). His dam is Minto Orange Blossom, 2nd, 377365, by Killearn Sooty, 274503, by Killearn Max 5th, 251948.

Killearn Norman 24th is a thick, low-set bull with a good head and horn. He is well fleshed throughout and should do well when mated to the good, young cows and heifers sired by his predecessor, the Monarch bull, which was also purchased from Mr. Claude Gallinger.

The School of Agriculture carries a herd of about 30 head of Shorthorn cattle which are used for class work during the school term. The surplus stock, consisting of young bull and heifers, are sold to the Shorthorn breeders in the province.

great technological revolution—the atomic revolution — passed on by —The Calgary Herald

WEDDINGS

COX — FREY

Afternoon wedding vows were exchanged on Tuesday, June 10, at the United Missionary Church of Didsbury, uniting Miss Jean Marguerite Frey, daughter of Rev. and Mrs. A. Frey of Didsbury, and John William Cox, son of Mr. and Mrs. Charles Cox of Castor, Alberta.

The bride was given in marriage by her father, who also officiated at the ceremony. Rev. Ray Shantz was the assisting minister.

The church was decorated for the occasion with large baskets of white and lavender lilacs.

Miss Helen Swalm, gowned in pink tulle, played a prelude of appropriate wedding music in addition to the wedding marches from Wagner and Mendelssohn. She also accompanied Miss Dorothy Stauffer, gowned in lavender sheer, who sang "Love, the Perfect Gift" and "A Wedding Prayer."

The bride's gown was fashioned in white satin, styled with a deep

CHRISTIAN SCIENCE

The proposition that man can protect himself against the threats of atomic power will be discussed in Christian Science churches Sunday. The topic of the Lesson Sermon is this: "Is the Universe, including Man, Evolved by Atomic Force?" The statement will be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy (p. 273): "Jesus walked the earth, and he healed the multi-tude, healed the sick, and raised the dead in direct opposition to material laws." In conjunction with this will be the following short passage from the Bible: "And he saw them toiling in rowing; for the wind was contrary unto them; and about the fourth watch of the night he cometh unto them, walking upon the sea, and would have passed by them." Mark 6:48.

illy point sleeves. The skirt fell in graceful folds and featured redingote panels of lace. Her finger-tip veil of nylon illusion fell from a dainty lace headpiece trimmed in satin, and her bridal bouquet was a cascade arrangement of Pink Delight roses and sprays of stephanotis.

For her attendants the bride chose her sister, Mrs. Lee Nash, as matron of honor, and Miss Melva Anderson as bridesmaid. They wore identical dresses of frosted organza over tulle in aqua with matching bonnets of net. On small, pink laceon hearts they carried sprays of daisies and stephanotis.

Mr. Stanley Cox, the groom's brother, was the best man, and Mr. Lee Nash, Mr. Keith Cox and Mr. Kenneth Cox ushered the guests.

Mrs. Frey chose a navy crepe dress with pink accessories for her daughter's wedding, and her corsage was of pink roses.

The groom's mother, Mrs. Charles Cox, chose a brown dress with beige and peach accessories, and her corsage was of carnations.

A reception following the ceremony was held in the dining room of Mountain View Bible College at which approximately 60 guests were seated. A three-tiered wedding cake centred the bride's table which was also decorated with white tapers in candelabra. The other tables were attractive with bouquets of tulips, iris, bleeding hearts and floral tapes.

Mrs. Herbert Dedels and Mrs. Loyal Snyder, cousins of the bride, poured tea. Mrs. Verlo Sherick catered and was assisted in the serving by the Misses Joyce Archer, Betty Reist, Winifred Stewart and Jeanette Neufeld.

Mr. Lee Nash served as master of ceremonies for the reception program, during which wedding music was sung by Mrs. Gordon Burgess, Miss Melva Anderson and Mr. Stanley Cox. Appropriate remarks were made the groom and also by Mr. Harold Cole.

Miss Florence Reist was in charge of the wedding gifts which were displayed for the guests.

For a wedding trip to Banff, the bride traveled in a dressmaker suit of brown "Pie and Pie", with which she wore a corsage of Esther Reid daisies. Her hat and gloves were of pressed green, and her shoes and bag of matching brown leather.

Both Mr. and Mrs. Cox are graduates of Mountain Bible College and will be making their home in Big Valley, where the groom is the pastor of the United Missionary Church.

JAMES CURRIE, Editor and Publisher

WRITING A COLUMN IS EASY — SOMETIMES !!!

This business of writing a column is easy — sometimes. Older, more experienced editors have told us the best idea is to do it at home, where peace and quiet reign supreme. The suggestion was to find a nice comfortable spot, set up the portable typewriter and run off a column, just like that. Sounded very simple.

After half an hour's search for the quiet spot, we settled on the kitchen table, where traffic at the time was not too congested. The first line was easy, but then inspiration left us, perhaps because there were two youngsters on the scene equipped with a mechanical train and other miscellaneous equipment which was far from being the noiseless type.

Retreating to the back porch, things were going according to schedule when the phone rang and someone wanted to know why they got two front pages in their paper last week. A lengthy explanation and apologies satisfied our subscriber but left us without a clue on what the column should be about.

A search of current magazines, periodicals and papers, with half an hour out for a ball game on the lawn, still didn't produce any ideas that clicked. With strict orders for no interruptions we sat down once more and this time managed a whole paragraph. We really thought we had things going smoothly until the young daughter arrived on the scene on an errand that couldn't wait. Inspiration once more departed when we rose to assist and so far it hasn't returned.

We welcome any contributions, news ideas or sundry items for any column or page in this newspaper. There are times when we sit with fingers crossed hoping someone will bring in a bit of news, local copy. This week maybe was one of those times. Next week we'll write our column in the office.

NEW FOOT-AND-MOUTH OUTBREAKS REPORTED

LONDON — The ministry of agriculture announced recently two new outbreaks of foot-and-mouth disease in Britain.

The outbreaks in Cheshire and Hampshire forced inspectors to slaughter 90 animals. The ministry now has slaughtered 24,794 cattle, 15,432 sheep, 9,775 pigs and 31 goats on a total of 418 farms. Compensation paid to farmers so far totals \$3,695,840.

**BROAD JET PRAYERS vs. BOOM SPRAYERS**

Much interest and controversy exists in some quarters over the relative merits of these two types of sprayers. To cover this subject thoroughly in this short letter is difficult. I might, however, attempt to point out a few points based on observation and experience with both types of sprayers.

Single nozzle applications must resort to large droplet sprays to attain reasonably wide swaths. This defeats the purpose of a close knit pattern which is required where so little fluid is applied over so large an area. Since large droplets are required to attain carrying distance, it naturally follows that chemicals contained in the larger droplet will confine to a greater area than if the same droplet were broken up into smaller particles and distributed over a larger area.

Sprays expended into the air are affected to a large extent by the wind and the possibility of a constant pattern is greatly reduced. Changing wind velocities will constantly change width of coverage and make uniform coverage virtually impossible.

I am acquainted with farmers who have both types of sprayers. The boom type they use on fence lines, roadsides, and small brush. The boom type they use to spray field crops. Undoubtedly there is a place to use both types of machines.

Mr. G. R. Sterling of the Provincial Department of Agriculture says that very little work has yet been done with the side delivery nozzle machine, as far as field spraying is concerned, but tests are being conducted this season and experimental information will be available by fall. He suggests that until more information is available, farmers might be wise to stay with the boom type sprayers for field work.

Do you know that auto tires wear out four times as fast at 65 miles per hour as at 35 m.p.h.?

DR. D. H. ZIVOT, OPTOMETRIST, JOINS H. J. and D. J. SNELL

Dr. David H. Zivot of Vancouver, who attended the University of British Columbia and is a graduate of the Chicago College of Optometry, is now associated with H. J. and D. J. Snell, Optometrists, in their practice. Dr. Zivot served his internship at the Chicago College Eye Clinic.

Lone Pine W. I. Names Delegate

June meeting of the Lone Pine W.I. opened by singing "The More We Get Together" and the creed. Fourteen members answered the roll call with an article for the bazaar. Four visitors were also present.

Report of the dance in May showed a profit of \$69.00.

Mrs. Bruce Sheils was appointed delegate to the conference in Didsbury. Mrs. Sam Elliott and Mrs. Pete Schumaker will attend the Farm Women's Week in Olds in July.

Mrs. Albert Milne handed in two scrapbooks which are to be sent to the local hospital. Mrs. Floyd Ahlgrim gave a paper on oilon curtains.

Mrs. Jack Underhay won the contest on slogans of Didsbury merchants this being made up by Mrs. Floyd Ahlgrim.

Discussion was held on a picnic to be held some time in July. The 10 cent draw was won by Miss Joy Elliott and netted \$18.00. Meeting closed by singing God Save the Queen and pot luck lunch was served by the hostess.

EARLY ENTRIES ASKED IN BARLEY CONTEST

Provincial committees of the 1952 National Barley Contest are urging growers to file entries as soon as possible.

In Alberta the deadline is August 1.

This year only growers in Manitoba and Alberta will take part. Saskatchewan growers will not compete.

In Alberta and Manitoba rules for the contest will be practically the same as in other years. Three varieties of malting barley will be eligible: Oils, Montcalm and O.A.C. 21. The minimum entry requirement is the same, a carload lot of at least 1,667 bushels.

In each province there will be two regional contests, seven cash prizes for each region, starting at \$100 and graduated down to \$30. The three top entries in each region automatically compete in their respective provincial contests. Cash prizes for the provincial contests will be \$200, \$150 and \$100.

The two top winners in each provincial contest will automatically compete in the interprovincial contest for which there will be two prizes, \$500 for first and \$300 for second.

Entry forms may be obtained either from the chairman of the provincial committees or from the nearest elevator. As elevator operators are an important agency in handling and shipping malting barley the institute is again offering one prize of \$50 in each province for the operator who handles and ships the first prize carlot in each province.

Front wheels that are not running straight can be expensive and dangerous. A bad bump can throw them out of line. Your tires will be dragging sideways — and you'll never know it.

Don't risk this. For safety's sake, drive in today for our Precision Wheel-Alignment Service. Our factory-trained mechanics know your car inside and out and will check your steering, inspect front-end alignment, balance front-wheel assemblies and equalize tire pressures. We use only factory-engineered and inspected CHRYCO parts.

More About Proposed F.U.A. Rally
School Reorganization

We continue reproduction of the
Byrne school report, covering this
week the Cremona, Sundre and Tor-
rington districts.
CREMONA (5 Rooms)
The districts of Cremona, Elm-
wood, Byron and Garfield are co-
operating at Cremona in a five-
room centralization.

Total enrolment at the time the
report was made was 106.
Expansion could take place by
bringing in the students of Mount
Hope, Dog Pound and Big Prairie —
a total of 77 children. Two extra
classrooms would be required to
handle either the total or partial
(senior grades) centralization of
those districts. Every attempt
should be made by the board to ex-
tend the Cremona centralization in
order to build up the high school
enrolment. Because of the remote-
ness of this centre it is important
to establish and maintain a high
school here. There is little likeli-
hood that it will grow beyond a
two-room high school — neverthe-
less the service rendered by such a
plant is considerable in remote
areas where no larger school is
possible.

SUNDRE (9 Rooms)
The Sundre centre serves the dis-
tricts of Sundre East, Pine Croft,
Sunberry Valley, McDougall Flats
(IX up) and Westward Ho.
The enrolment at the time of
the report was 256.

Further centralization is quite
feasible in the Lobley, Rockwood,
McDougall Flats, Red Deer Valley
and possibly East Valley districts.
This would involve an enrolment of
close to 100 students giving the
Sundre centralization a total school
population of over 350 students.
According to our formula one-fifth
of this enrolment may eventually
be expected to be in the high
school grades assuming the neces-
sary 60-pupil high school. The
Sundre centralization is a very
promising school organization.

Accommodation
The Sundre school is, on the basis
of present enrolment, in need of
two extra classrooms. Four class-
rooms would permit further cen-
tralization. The board should plan
to provide four classrooms at this
centre as soon as possible.

TORRINGTON HIGH
SCHOOL CENTRE

Sub-division 1 presents an inter-
esting problem for high school cen-
tralization. The area includes a
three-room school at Wimbome and
at Torrington, and a 2-room school
at Salem, none of which teach
above Grade X, and nine single-
room districts, viz.: Buckeye Crown,
Stuart, Sunny Ridge, Curlew, Col-
lingwood, May City, Mayton and
Burnside. The total school popu-
lation of the area is 365, a very
adequate enrolment from which to
develop a high school of from 60
to 80 pupils. That this area may
be centralized at Torrington is per-
fectly obvious, particularly at the
senior level (grades VII to XII).
The present Smouse Creek van
route, for instance, could be ex-
tended to pick up the senior pupils
of May City and Mayton. Another
route might serve the Collingwood,
Frontier and Prairie Valley area;
another the Salem, Crown and
Stuart districts, and a fourth the
Buckeye, Sunny Ridge and Curlew
districts.

It is difficult to determine at this
time, the exact building needs of
such a project. This would depend
on whether the board decided to
centralize from VII up or X up. The
writer considers it desirable to con-
vey all students above grade VII
at least from the rural districts.
Eventually a four to six room plant
would be needed. Four rooms plus
home economics and shop accom-
modation might be sufficient for a
beginning.

The writer considers the Torrington
project most feasible and desir-
able in providing high school
service to the northeast corner of
the division.
(To be continued)

Eight Members Attend
Zella W. I. Meeting

Eight members of the Zella
Women's Institute, all decked out
in raincoats, met at the home of
Mrs. Dan Butcher on Thursday,
June 12.

Roll call was "Why I Like Al-
berta the Best," and all felt that
our own little community was as
picturesque as any place in Alberta.
Mrs. Edward Walldorf acted as
secretary in the absence of Mrs.
Tony Spooner.

The afternoon was given over
to conference plans and Mrs. T.
Spooner was a suggested delegate.
The topic and the bit of fun were
held over as both these members
were absent.

The meeting closed with God
Save the Queen and a lunch was
served by the hostess. The next
meeting will be held at the home of
Mrs. Mike Knights on Thursday,
July 17.

With Raymond Bell, director of
district 10 of the Farmers' Union of
Alberta in the chair, five locals in
sub-district two held their annual
rally in the Lions' Hall, Didsbury,
on Saturday, June 7.

Mayor Lynch-Stanton welcomed
the delegates on behalf of the Town
of Didsbury.

Discussion took place on such
topics as producer marketing
boards, gas conservation and amal-
gamation with the Alberta Federa-
tion of Agriculture. Rural electrifi-
cation was also discussed.

All locals will send delegates to
the district convention to be held
at the Olds School of Agriculture
on June 27, starting at 10 a.m. Visi-
tors are welcome and dinner will
be served at the school grounds.

CANADIAN OPEN SET
FOR WINNIPEG IN JULY

With a month or more to go to
the Canadian Open in Winnipeg,
Canadian golfing fans are begin-
ning to ask the perennial question
— will this be the year that a Cana-
dian snaps a long famine so that
the Seagram Gold Cup will remain
in Canada for the first time in
history.

The answer is "probably not"
despite the hunch players who
might figure that the first Canadian
victory in Canada's top golfing
event since the Seagram Gold Cup
went up for competition in 1936
might well come in Winnipeg, be-
cause this is the first time the Open
has ever been held in Winnipeg.
It's a tough proposition for Cana-
dian pros and this year's tourna-
ment starting July 16 over the St.
Charles course is no exception. The
basic job of Canadian pros is to
help run their clubs and to provide
instruction to club members. In
that, the Canadian pro probably has
no peer anywhere. But a four-day
competition against men who play
tournament golf for a living is
something else again.

The U.S. players, who have made
a habit of taking top honors in the
past, play competitive golf day-in
and day-out, all year round. The
crowds of a national Open, the
rich money stakes, the nerve-rack-
ing business of shooting sub-par
golf four days in a row, is what they
thrive on. Canadians, on the other
hand, have one big-money tourna-
ment a year. The rest of the time
most of them are busy in quite dif-
ferent ways.

Nevertheless, Canadians have
come close in the past, and therein
lies the hope that this may be the
year one of them can turn the
trick and become the first Canadian
ever to win the Seagram Gold Cup
and the first Canadian to capture
Canada's top golfing honors since
1911. With guys like Stan Leonard
and Fred Wood of Vancouver, Pat
Fletcher of Saskatoon, and dozens
of top-notch shot-makers from the
East, the Canadians can't be ig-
nored.

NEW LOCATION FOR TOWN WATER WELL

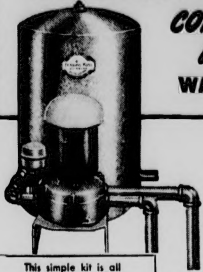

Bill Moon has abandoned the location for the new town well south of the butte and has erected his drilling rig on the edge of town just north of the No. 9 green on

the golf course. Difficulty was encountered on the original location due to faulty structure. The new well will be an auxiliary water supply for the town system and will be connected direct to the reservoir on the butte when completed.

FAIRBANKS-MORSE

CONVERTIBLE EJECTOR WATER SYSTEM

A REVOLUTIONARY NEW TYPE SYSTEM - EASILY CHANGED FROM SHALLOW TO DEEP WELL

This simple kit is all you need for Deep Well Conversion.

A simple conversion kit enables you to change from shallow to deep well service with one pump! It is easily installed inside the pump.

Here's how it works. You install the Convertible Ejector as a shallow well system. When you need more water, or when falling water levels compel you to go to greater depths, all you do is install the low-cost conversion parts to change to deep well duty. You are saved the expense of an entirely new water system. Available in 1/2, 3/4, 1, 1 1/2 or 2 hp models that can be installed over the well or away from it. Get full details now!

Notes From D.A.

By HUGH McPHAIL

Last spring I had two articles in this column on Broad Leaf Trefol, which created some interest. Mr. Stanton, southeast of Oids, seeded some. What was sown with a nurse crop nearly all died but that which was sown in the garden survived and is now in bloom.

Mr. Ratcliff, south of Sundre, got seed but did not use it last year. He plans to seed a considerable amount this year. His neighbor, Mr. Sheldon, has a patch which came through the winter satisfactorily.

Rosehill Brothers and Harvey Rosegood seeded some in 1951.

Brief reports from men at our university and experimental farms seem to indicate we should not be too optimistic about the place this legume will fill.

For over a century birdsfoot trefol has been used in small plantings in Britain and continental Europe. This legume has recognized forage value but nowhere has it gained much importance. It is well adapted to limited regions of Australia and New Zealand and the same is true in the United States.

This legume does not appear to be as well suited to Alberta conditions as those we are now growing. The following quotations from letters written in 1949 by forage specialists in the province are significant:

"We have not seen any indications that for Edmonton conditions it has any advantage over alfalfa as a legume crop and it has some disadvantages. On this account we have never thought it worthwhile to undertake extensive experimentation with this species." Prof. J. R. Fryer, University of Alberta.

"Although it grows fairly well in most of the United States it has not become very popular. And unless considerable improvement is made in the varieties now in use it is doubtful if it will be an important

Living Costs To Go Down Further!

How much lower will living costs fall? The Financial Post says the outlook is for further declines before the end of the year. But it warns that they will not be spectacular. Much of the drop so far has been in foods and here special factors like the foot and mouth embargo on exports to the United States and the damaged wheat crop last fall were big influences.

"Wage rates are more important cost components than materials costs and the unions still want more. Another factor slowing down price reductions are the lags. It may take from three to six months for wholesale price declines to be reflected in the price which you pay for baby's new dress. As prices decline and merchants reduce inventories under strong competition, the consumer benefits. But as wholesale prices change direction and start to rise, it is less likely that the cuts will be passed on.

"Second, in the past few months the inventory to sales positions have improved. Bargain sales have cleaned out a lot of the surplus, and huge inventories are no longer deflationary influences on prices."

forage crop. The plant contains cyanogenic glycoside which changes to hydro cyanic acid during digestion and is sometimes injurious to animals." R. W. Peake, Dominion Experimental Station, Lethbridge.

"I believe that birdsfoot trefol will probably be as winter hardy as Atlaswede red clover under Alberta conditions. It is not likely to compete with alfalfa as a hay or pasture plant except possibly on our poorer, drier soils. Its greatest use, if any, will likely be in pasture mixtures on our less fertile soils. It is apparently slow to become established, consequently it is its greatest value in pastures which are left down for some time." H. B. Steffox, Dominion Experimental Station, Lacombe.

MEN AND WOMEN BECOME DOCTORS AND NURSES THROUGH SCHOOLS

OUR TEACHERS MOULD OUR NATIONS FUTURE!

TEACHERS ARE AMONG THE MOST IMPORTANT MEMBERS OF A COMMUNITY!

The thrifty shopper buys where he or she is invited to shop. Your advertisement in The Didsbury Pioneer is an invitation to over 90 percent of the people of Didsbury and district to buy their needs in your place of business.

"The die has now been cast"

An American manufacturer was planning to open a plant in Canada. He considered various locations and found what seemed a likely site. He talked to a local bank manager, got facts about the community and its facilities.

Some time later the company wrote to the banker:

"The die has now been cast. It is our intention to locate in S. . . We feel that it is well suited to our particular operation. You have been of great aid to us. Your accurate and rapid presentation of facts necessary to reach a decision was top-notch."

Such letters show how a branch bank serves not only its own depositors and other customers but how, by assisting business development, it benefits the whole community.

This advertisement, based on an actual letter, is presented here by

DISTRICT NEWS

Rugby Institute Plans Picnic At Sylvan Lake

The June meeting of the Rugby W.I. was held at the home of Mrs. L. Krebs with 11 members and one visitor present.

Meeting opened with the singing of "Let the Birdies Sing," followed by the creed. Roll call was answered by "What Characteristics Make A Good Citizen."

Plans for the conference to be held in Didsbury on June 17 were discussed and Mrs. A. Cowitz was appointed delegate.

Mrs. Scott won first in the made-over article contest and Mrs. McNaughton took first for the house dress.

It was decided that the members and their families would have a picnic at Sylvan Lake on July 3 instead of the regular meeting.

The five-minute topic was "The Life of Emily Carr," by Mrs. A. Cowitz.

"The Life of Mrs. George Black" was given by Mrs. Thompson for the citizenship paper and Mrs. J. Hosgood gave a humorous reading for "the bit of fun."

Mrs. G. McInnes was appointed delegate for Farm Women's Week at Oils.

Mrs. H. Krebs won the tea raffle.

Meeting closed with National Anthem and lunch was served. The August meeting will be held at home of Mrs. O. Krebs.

WEDDINGS

COOPER-PARKHURST

A wedding of wide interest was solemnized in the Cremona United Church when Rev. Kirk united in marriage Miss Cleo Parkhurst, daughter of Mr. and Mrs. Bill Graham of Big Prairie, to Mr. Glenn Cooper, eldest son of Mr. and Mrs. J. H. Cooper of Elkton.

The bride, who was given in marriage by her step-father, was beautifully gowned in a floor-length gown of traditional white satin with a snug-fitting basque bodice and bouffant skirt with overskirt of lace. She wore a floor-length bridal veil and carried a bouquet of red roses and bouvardia.

Mrs. L. Bergeson was her sister's matron of honor and wore a rose satin dress with overlace skirt, and a chapel veil. She carried a bouquet of carnations.

Miss Audrey Parkhurst, similarly gowned in blue satin, carried yellow carnations, and was her sister's bridesmaid.

The groom was attended by his brothers, James and Keith Cooper. Ushering the guests were Mr. G. Admussen and Mr. L. Bergeson.

During the signing of the register Mrs. G. Admussen, sister of the groom, sang "I'll Walk Beside You," accompanied by Mrs. J. A. Howton, who played the wedding music.

The bride's mother wore a wine lace dress with white accessories and her corsage was of yellow roses. The groom's mother wore a pearl grey suit with navy accessories and a corsage of American Beauty roses.

A reception was held at the home of the bride's parents. The bridal table was covered with matching lace table cloths crocheted by the bride's mother and grandmother, and the three-tiered wedding cake was flanked by spring flowers and white tapers in candelabra.

Those assisting in serving were Mrs. B. Sunholm, Mrs. Erickson, Mrs. T. Graham Sr., Mrs. Lee Bouck, Mrs. Wesley Bouck and the Misses Phyllis and Leona Bouck.

Rev. Kirk proposed the toast to the bride.

Mr. and Mrs. Glenn Cooper later left for a honeymoon in Spokane. For travelling the bride wore a pale blue nylon dress with navy shortie coat and white accessories.

EAST NOTES

Mr. Fred Metz, Mr. Pat Spragg and Eddie Patterson all motored to Calgary on Tuesday of last week on business.

Roy Dowell of Carstairs was a business visitor in Calgary last Monday.

Mr. Bruce Shields and Gladys were visitors in Calgary last week.

Mr. and Mrs. Jack Underhay motored to Calgary on Tuesday of last week on business.

The Jutland school is going to hold their annual picnic at Jutland on June 27. They are also having a pie social and ball game at Lone Pine on June 26. Everyone is welcome, and there will be two films shown in the evening.

Mr. and Mrs. Spappen and son, and Mr. and Mrs. John Brander of Langdon were visitors with Mr. and Mrs. Sandy Brander on Sunday, June 8.

Mrs. Winnie Bittner called on Mrs. Walter McCulloch on Tuesday afternoon.

Mrs. Albert Milne and Mrs. Patterson called on Mrs. Dowell on Monday afternoon.

The Jutland school children, teacher and their parents, motored to Calgary on Friday, June 13, to tour different places of interest, including the airport, Independent Biscuit Company, Calgary Brewery, Co-Op Milk Company and St. George's Island, and finished off the tour at the Glenmore Dam.

Miss Owen Bittner visited with her mother for a few days last week.

Mr. and Mrs. Clendenan and Gordon visited with the latter's parents on Sunday.

Mr. and Mrs. Alfie Thompson and Beverly motored to Calgary on Saturday to pick up the former's mother and then left for a short visit in Cranbrook.

Miss Lila McCulloch spent last Wednesday with her parents.

Mrs. Sam Elliott and Joy and Mr. Peter Kryklywaj motored to Calgary on Saturday.

Mr. Floyd Ahlgren and Mr. J. D. Thomas attended the Masonic convention at Edmonton last week.

FALLEN TIMBER

Mr. and Mrs. W. Fyten were visitors in Calgary to attend the Hank Cooper program. Also attending this program were Mr. and Mrs. G. Admussen and Mr. Keith Cooper.

Mrs. Glenn Cooper is home again after spending several days in the Didsbury hospital.

Didsbury visitors Saturday were Mr. and Mrs. J. H. Cooper, Mr. Keith Cooper, Mr. James Cooper, Mr. and Mrs. G. Hone, Mr. and Mrs. Dick, Mrs. Oethe Moore, Mr. Archie McMullen, Mrs. Johnny Howton, Danny and Jeanette.

Mr. Pat McGiffin spent the week-end at his home here.

Mr. Billie Wannamaker visited Danny Howton on Saturday.

A special Father's Day service was held Sunday with a good attendance. The Rev. R. Moore and Rev. J. C. Moore of Calgary were in charge, and following the special program everyone enjoyed lunch.

Come and join us next Sunday. Mr. H. Davis and Mr. M. Davis of Three Hills were visitors in the district last week.

Mr. and Mrs. Bob Moore, Judy and Brian were visitors at Westward Ho and Didsbury on Friday.

MOUNTAIN VIEW

Mr. and Mrs. Arthur Gebers attended the wedding in Calgary Saturday evening of Miss Lianne Carter and Mr. Francis Clifford in St. Stephen's Anglican Church.

Mrs. Eric Atkinson visited in Calgary from Thursday to Saturday, having returned to Calgary with Mrs. George Smith and Brent Ramsay.

Mr. Donald Stiles was home over the weekend. He has been transferred to Peace River.

LITTLE ITEMS OF LOCAL INTEREST

Ken and Doug Burns left last week by plane to visit Mr. and Mrs. Harold Burns of Kingston, and other relatives in the east. They will drive back a new car from Oshawa.

Mr. and Mrs. R. Brooker left Saturday for a two weeks' vacation at the west coast where they will visit with relatives.

Miss Grace Hunsperger is convalescing at the home of her brother and sister-in-law, Mr. and Mrs. Lynn Hunsperger.

Postmaster H. Morgan attended the postmasters' convention in Calgary the latter part of last week.

The regular monthly meeting of the Canadian Legion, Didsbury branch, will be held on June 27 instead of June 26, due to the Salvation Army Band concert being held on the latter date.

Weekend visitors with Mr. and Mrs. Adam Korschuh and family were Mrs. Ted Frost and Mrs. Edward Morasch and baby daughter, Mrs. Morasch and daughter will remain for a few days.

Miss Betty King of Medicine Hat visited Sunday at the home of Mr. and Mrs. Wilf Skerry. Miss King, whose home is near Portsmouth, England, lived near Mrs. Skerry's home when she resided in England, and is one of a number of English school teachers who are teaching in Canadian centres on an exchange basis.

Mrs. J. Currie and two children arrived from Calgary Saturday and the family has now taken up residence in the Art Heiber house.

Miss Winona Rouleau returned to her duties at the Holy Cross Hospital in Calgary on Sunday after a three weeks' holiday spent at Banff, Didsbury and Pincher Creek.

Mr. and Mrs. Frank Emery of Acme and Mr. Thos. White of Carleton Place visited Sunday with the W. Skerry family.

Don LeGrand, who is stationed at Halifax with the R.C.N., arrived home last Thursday and is visiting with his parents, Mr. and Mrs. Les LeGrand.

The regular meeting of Knox United Church Evening Group of the W.A. will be held Monday, June 23, at 8 p.m. at the home of Mrs. Lorne Clayton.

Mr. and Mrs. Alf. Allen and family have taken up residence in the Haener house east of the L. Berscht dwelling.

WEST NOTES

Mr. and Mrs. P. Luft visited with Mr. and Mrs. G. G. Befus Tuesday evening of last week.

Cremona school played baseball with the Elton school on the Evans diamond Friday evening, June 6, the latter winning 18-14.

Mr. and Mrs. Glen Ray, Mr. and Mrs. A. L. Hogg and Mr. W. Weidner spent Tuesday evening of last week with Mr. and Mrs. L. Krebs.

The Elton Willing Workers met at the home of Mrs. Glen Evans on Wednesday last with most of the members present. Mrs. C. Birchard of Didsbury was present to show the members how to do pictures with French chalks. It only took her a short time to draw a very pretty scene of water, trees and clouds. It looked very easy and no doubt is, if one has a natural talent for colors. With Mrs. Birchard was her mother from Armstrong, B.C., and another visitor was Mrs. Bagshaw Sr. of Calgary, who was visiting at the home of her son, Mr. J. Bagshaw.

Red Cross work was labelled, and contests were played. Final arrangements were made to hold a tea at Mrs. Campbell's on Friday, July 18, and it was decided to serve fruit salad, buns and cake. A charge of 25c will be made, and there will be a fish pond for kiddies and sale of work for adults. This tea will take the place of the regular July meeting and was changed to the latter date because of the Calgary Stampede. The August meeting will be at the home of Mrs. R. Befus, when grandmothers of the district will be the honored guests. The meeting closed with God Save the Queen and lunch was served. Mrs. F. Byrt was the winner of the tea raffie.

Mrs. C. Russell and Darlene spent Wednesday evening last with Mrs. H. Bettiger.

Mrs. G. Thompson spent Wednesday afternoon last visiting Mrs. J. Hughes.

Mr. and Mrs. F. Melnes and Mr. and Mrs. Albert Krebs were dinner guests with Mr. and Mrs. L. Krebs on Sunday.

Mr. and Mrs. F. Byrt Jr. of Maden visited Sunday with Mr. and Mrs. F. Byrt Sr.

Mrs. O. Krebs was an overnight guest at the J. McCulloch home on Saturday.

Mr. H. Erickson attended the postmasters' convention in Calgary last week.

Mr. and Mrs. G. G. Befus visited on Sunday evening with Mr. and Mrs. P. Luft.

Mr. and Mrs. C. F. Nicholl returned Sunday following a two weeks' vacation at the west coast. Mr. Nicholl recently retired as manager of the local branch of the Royal Bank of Canada but the couple will continue to make their home in Didsbury.

Husbands were entertained by their wives Thursday evening in the Lions' hall following the regular meeting of the Muns Chapter I.O.O.F. Two skits were presented by the chapter members with intermission music rendered by Mervyn Gill on the accordion and readings by Mrs. Ross Young. Dancing followed and lunch was served.

—Redeemer Lutheran church summer schedule of services is now in effect and Divine Service now commences at 10:30 a.m. with Sunday school and adult Bible class following as usual.

Mrs. Margaret Cade of Mission City, B.C., and Mr. and Mrs. H. Egleson of Bremerton, Wash., visited in the Sunnyside district on Wednesday last week. The ladies are daughters of Robert H. Wilkinson, who formerly farmed in the district.

G. C. Leeson, manager of the local Builders' Hardware, was a business visitor in Calgary Monday.

COMING EVENTS...

—The regular meeting of the Didsbury Lions Club will be held in the Lions' hall Thursday evening, June 19.

—St. Cyril's Anglican W. A. will hold a Strawberry Tea and Food Sale on Saturday, June 21, from 3 to 6 p.m. in the Lions' hall. 23-3c

—The W.C.T.U. will hold their annual "Little White Ribbons" picnic on Thursday, June 19, at the home of Mrs. Jim Hooper. Mothers with pre-school age children especially welcome.

—The Knox United Church Afternoon Group of W.A. will hold a tea at the home of Mrs. R. Loun on Tuesday, June 24, from 3 to 6 p.m. Admission 35c or an article for the bazaar. 1c

—A general meeting of members of the Elton Curling Club and all others interested will be held at Elton school on Tuesday, June 24, at 8:00 p.m. Discussion will take place on ways and means of completing the rink before curling season starts. Special invitation to attend is extended to prospective lady curlers of the district.

—Don't forget the square dance at Rugby hall on Wednesday, June 25. Everybody welcome. 1c
